

REMARKS

This paper is responsive to the Restriction Requirement of September 23, 2007. Applicants respectfully elect Invention I without traverse, as in claims 3-5, 9-16, 18 and 20. Claims to Invention II are accordingly cancelled herein without prejudice or dedication, and Applicants reserve the right to pursue the cancelled claims 6-8 and 17 in a later filed Divisional application. Reconsideration and further examination is respectfully requested.

Applicants have made a diligent effort to place the claims in condition for allowance. However, should there remain unresolved issues that require adverse action, it is respectfully requested that the Examiner telephone the undersigned, Applicants' Attorney at 617-630-1131 so that such issues may be resolved as expeditiously as possible.

For these reasons, and in view of the above amendments, this application is now considered to be in condition for allowance and such action is earnestly solicited.

Respectfully Submitted,
